THROUGH THE GRAPEVINE

GARDEN CLUB of the YEAR

February 28, 2017

Grapevine Convention Center
1209 S. Main Street, Grapevine, TX 76051
Social 9:30 A.M. Meeting and Program 10:00 A.M.

THANK YOU TO OUR HOSTESSES:

Chair, Lindle O'Neil, Mary Blagg, Lisa Grove, René Herndon, Andrea Marshall, Jamie Moser, Barbara Munn, Cheryl Neumann, Barbara Nunn, Glenda Page, Kathy Pierson, Robin Pond, Sylvan Sigler, Sharon Swagerty

February Program

Where Does Our Water Come From?

If about 71% of the Earth's surface is covered by water, and if salty oceans hold about 96.5% of all the Earth's water, where does our drinking water come from?

Dean Minchillo, Water Conservation Program Manager at the Tarrant Regional Water District will share his knowledge of water conservation and drought contingency programs as well as how the George W. Shannon Wetlands Water Reuse Project plays a part in these efforts.

President's Message

Welcome to February, the month of love, Valentines, candy, chocolates, checking which plants have survived the killing frost, wondering whether we still have cold weather yet to come and of course, pruning our roses by Valentine's Day.

I checked my yard, and have started pruning my beds by location. I figure if I take it a bed at a time, I can see success immediately! I am leaving my roses for February 14 for their pruning. If you are not sure how to prune roses correctly, there are two upcoming events you can participate in and learn by being there. The Rose Trial Collection date is Tuesday, February 7th at 9:00 A.M. We will be trimming roses at that time. Or you can come to West Texas Street on February 14th and prune roses at that time as well. See Suzi Guckel's article in this issue.

After many years of anticipation, planning, and fundraising, the Grapevine Botanical Gardens Greenhouse Dedication and Opening occurred on January 27, 2017. I personally was very happy to see the great response by the GGC members who took time out of their busy days to attend the event. Hopefully, you will have an opportunity to visit the Greenhouse over the coming months. After the April 4, 2017 District II Spring Convention, the Greenhouse will be available for tours. So please consider this as a date you would like to place on your calendar.

In light of Valentine's Day, I am going to set some simple goals; i.e. plan on treating my roses to a good pruning, reward my faithful friend, Casey, with some special dog cookies, and wish all of you a very good February!

Sharon Swagerty

The Luminaries: Lisa Grove (GBC Horticulturist), Pam Braak (immediate past GGC President), Sharon Swagerty (GGC President) Cutting the ribbon: Sarah Erickson and Linda Krimm, Chairs of the GGC Greenhouse Committee

West Texas Street Work Day

Tuesday, February 14, 2017, 9:30 A.M.

*** IT'S VALENTINE'S DAY ***

Hi, Boys and Girls! Can you believe it is February already? And Valentine's Day is right around the corner, which means it is time to get to work on West Texas Street. We need to prune those rose bushes and a few shrubs, do a little weeding and generally clean up the beds, which really just gives us an opportunity to visit and talk about what we need to be doing in our own gardens.

We have a bunch of volunteers signed up, so if you want to join in on the fun, give me a call so I can add you to our list – I'm in the GGC book. If we have a change of plans and I don't have your name, I cannot notify you, so please let me know, okay? Okay!

Bring your pruners, loppers, and weeders, and be sure to dress for the weather cause it has really been playful this winter. We'll have water to keep you hydrated and maybe a cookie to warm your heart. But remember, don't wear your heart on your sleeve cause it just might get dirty!

When our work is done, we can head over to Main Street and drink coffee and swap lies, so come join in on the fun! See you on Valentine's Day.

☞Suzi Guckel, Chairman
Candy Cawley, Sandy Guthrie, Bruce Herndon, Joe Krimm,
Jamie Moser, Paula Wilbanks, Co-Chairmen

Membership News

It has been an exciting year so far. Since the start of our fiscal year in June, 2016, the club has gained thirty new members. Welcome all! Our membership now stands at 268 dirt-loving people!

GGC Dues Are Due!

Starting with next month's meeting, we will start collecting the annual dues for the 2017-2018 year.

Membership has many benefits. One of those benefits is a discount for purchases from Blooming Colors Nursery and Marshall Grain.

And after you renew your membership for the new year, you will receive a FREE subscription to *Better Homes and Gardens* magazine. Details to follow.

Membership Chair

Gardeners on the Go

Art in the Vine – Wednesday, February 22nd, 11:00 – 2:00PM

If you are interested in joining the painting class at “Art in the Vine”, you may sign up until **February 14th**. Rebecca Winters, the owner/instructor, will teach us how to paint everyone’s favorite wildflower and the state flower of Texas – the beautiful bluebonnet! The cost is \$25 and we ask that you sign up to bring beverages or snacks for the group to enjoy during the class. Please arrive thirty minutes early to gather your supplies as the class will start promptly at 11:00 A.M. Art in the Vine is located at 441 East Northwest Highway in Grapevine.

Six of our members are going on the Charleston and Savannah Window box and Garden Tour from March 26th – 30th! We promise to bring back pictures and creative planting ideas!

There are no trips scheduled in April. Flowercade, the Spring Plant Sale, and the District II Spring Convention will, hopefully, keep everyone busy!

Chandor and Clark Garden Tours, Tuesday, May 9th, Weatherford, TX

Please join us for a docent-guided tour of the beautiful Chandor Gardens and its 1930’s Palladian style mansion which was primarily used as an artist studio by the original owner. After the tour, participants will enjoy a catered lunch to be served in “The Great Room.”

After lunch, we will drive to the renowned Clark Gardens for a lovely stroll and self-guided tour. The cost of this trip is \$31.00 and covers the entrance fees to both gardens, the mansion, and lunch. This is a carpool trip and signups will begin at the February 28th general meeting.

Gardeners on the Go Co-Chairs

Learn with Friends at GGC Workshops

GGC is proud to offer workshops to our members and friends. Please see below for details.

*January 24th Workshop—
Orchid Basics with Carol Dowd*

*February 21st 6:30 – 8:00 P.M. – **Sprinkler System Tune-Up** – Understanding your irrigation system basics with Chuck Voelker. Note evening session 6:30 – 8:00 P.M. (Mitchell House at Grapevine Botanical Garden) Free and open to the public*

*February 28th 1:00 – 2:00 P.M. – **Get (Your Body) Ready for Gardening** Registration required—Grapevine Recreation Center. **Winter is almost up! Time to start gardening again!** If you are an avid gardener, you have probably experienced the aches and pains associated with the process of starting up in the spring. This class will give you better insight on how to properly position yourself and what stretches to practice to prevent injury. All while having fun! The workshop will take place in the REC Classroom and participants should wear comfortable clothes, athletic type shoes and bring a water bottle.*

*March 22nd 1:00 – 2:30 P.M. – **Container Gardening** with Lisa Grove and Karen Rice – Come build a container garden for your porch or patio. Bring your own container – fee for materials. (Greenhouse at Grapevine Botanical Gardens) Registration required. Workshop registration is full but you may sign up for the waitlist.*

2017 Spring Plant Sale

Our Spring Plant Sale is scheduled for Saturday, April 22nd at the Grapevine Botanical Gardens at Heritage Park. In preparation for that day, we ask that you take a look at your garden and see what perennials you have that you would like to donate to the Plant Sale.

If you have plants to donate, we can schedule a “Digging Party” for you! A group of garden friends will come to your home on a prearranged date with one-gallon pots and landscape mix to pot up your donations. Please email Ella Barber to schedule your Digging Party, or sign up for one at the February 28th General Meeting. We request that members hold these potted plants at their homes until the week before the Plant Sale. If you would rather pot up your own donations, please contact Ella for one-gallon pots and

landscape mix. Your plant donations are vitally important to the success of our Plant Sale! Our customers want these tried and true plants because they trust our expertise!

There will also be a signup sheet at the February 28th General Meeting for the “Digging Committee”. We need volunteers to dig up and pot plants from our members’ gardens for the Plant Sale. These are fun events—you will be working side by side with friends in the garden for about an hour. If you are a new member, this is a great way to meet new people and learn about plants!

Robin Pond, Debbie Monahan, Terry Curio, Carole Nadeau, Vicki Haines, and Colleen Connor

Desired Heirloom Plants for the Spring Plant Sale

Anemone, Artemesia, Aster, Beautyberry, Brazilian Rock Rose, Clematis (Pitcheri), Columbine, Cone Flower, Coral Berry, Coreopsis, Daisy, Datura, Gaura, Golden Groundsel, Gregg’s Mist, Lenten Rose, Lily (Oxblood, Red Spider), Loosestrife, Mexican Bush Sage, Mexican Mint Marigold, Mint (Apple, Lavender, Peppermint), Moneywort, Oakleaf Hydrangea, Passion Vine, Penstemon, Phlox, Pink Skullcap, Pipevine, Plumbago, Purple Heart, Rain Lily, Rudbeckia, Ruellia, Sage (Autumn, Black & Blue, Indigo Spires, Mexican Bush, Pineapple, Russian), Sedum (Autumn, Dragon’s Blood, Gold Moss), Snowflake, Society Garlic, Spiderwort, SunDrops, Texas Betony, Thyme, Turk’s Cap, Winecup, Zexmenia and Native Butterfly Weed

**✂Ella Barber and Ginger Jones
Plant Sale Co-Chairs**

GGC Scholarship Program

Scholarships of \$2500 will be awarded to students majoring in Horticulture, Landscape Design, Conservation, Forestry, Botany, Environmental Management, City Planning, or other horticultural related subjects. Applications must be received by **April 1, 2017**.

The applicant must be a graduating senior residing in Grapevine or enrolled in the Grapevine/Colleyville ISD, a college student with a permanent residence in Grapevine, or a scholarship recipient from the previous year. Also, a graduating senior who is the child or grandchild of any GGC member is eligible to apply.

The scholarship application is available from local school counselors or from the Grapevine Garden Club website

<http://www.grapevinegardenclub.com/civic.html> or email scholarship@grapevinegardenclub.org.

Pat Mingus
Scholarship Chairman

FLOWERCADE 2017: "Celebrating Our City"

April 15, 2017, 12:00 – 5:00 P.M. and

April 16, 2017, 1:00 P.M. – 5:00 P.M.

Fort Worth Botanic Garden

3220 Botanic Garden Boulevard

Fort Worth, Texas 76107

Open and Free to the Public! Submit your flowers/plants, designs, and photography and then come enjoy the flower show!

3 Divisions -----

♥ Horticulture—We will meet at Joan Stewart's greenhouse to prepare our specimens on April 14, 2017 from 9:00 A.M. – noon.

♥ Design—Please let me know asap if you are submitting an entry so space can be reserved for you.

♥ Photography—I need your photos on March 14th (a month early) so I can enter them for you. Bring them to my house on or before March 14, 2017. There is a limit of three photos. They will be judged and displayed at the show in April.

Think the city of **Fort Worth** in your planning! Have fun with it!!! A schedule with guidelines for everything regarding the show will be emailed to you soon!

Ann Fuller
Flowercade

The GGC Redbud Tree Program

If you love trees, enjoy reading to children, and want to impact future gardeners, here is a great opportunity for you! On Thursday, April 27th and Friday, April 28th, volunteers from our garden club will go to three elementary schools' third grade classrooms. We will discuss the importance of trees, the differences among trees, what a tree needs to grow, photosynthesis and will demonstrate the proper way to plant a tree.

The book *Who Will Plant A Tree?* will be read to the class and then left in the class' library. We will leave redbud seedlings with the classroom teacher to distribute to each child to take home at the end of their day. You can present by yourself or with a partner and the lesson plan is included!

To prepare for this lesson, we will be meeting at the new Greenhouse in the Grapevine Botanical Gardens on Wednesday, April 26th at 1:00 P.M. to have a "bagging party". This is where we bag up the seedlings, attach planting and information sheets, and box them up for each classroom.

Please sign up to be a presenter at one or more of the schools and/or sign up to be a "bagger". Signup sheets will be at the February General Meeting.

☛Candy Cawley
Redbud Tree Project

Charlie Shiner: A Tribute

Charlie Shiner joined GGC in 2012 but he had already been on the garden scene for a decade. After joining Tarrant County Master Gardeners in 2002, he was the welcoming face for many intern classes. He specialized in composting and was known as "Compost King of Tarrant County". I asked him once what plants he grew at home, and he said "I don't grow things, I rot them". He taught composting twice a month at River Legacy in Arlington for years and then most recently at Bob Jones Nature Center. His beautiful finished compost was sold in the Bob Jones gift shop. His colleagues there said that he was a humble hard worker and an amazing guy. He always cheerfully agreed to teach composting to any group, especially school children. GGC will miss his help with compost demonstrations. He was a generous man and all those who knew Charlie will miss his welcoming hugs.

GGC has donated two books in Charlie's memory to the Grapevine Public Library:

- ♥ *Composting Basics: All the Skills and Tools You Need to Get Started*
- ♥ *Making Vegetables: Fall Harvest, Composting, Root Cellaring & Preserving Vegetables the Organic Way*

PROCLAMATION

WHEREAS, the City of Grapevine recognizes the value of birds as an important natural resource that furnishes the citizens and the City economic benefits and values as a first line of defense against noxious weeds and insects that destroy landscaping and crops; and

WHEREAS, the City has supported bird life conservation for over 30 years, and;

WHEREAS, on July 7, 1981 the Grapevine City Council approved Resolution No. 81-19 for the protection of wild bird life and;

WHEREAS, the resolution provides that the stated policy of the City of Grapevine is to support and enforce the State laws contained in the Parks and Wildlife Code relating to the conservation of bird life.

NOW, THEREFORE, I, William D. Tate, Mayor of the City of Grapevine, Texas along with the City Council, residents and City Staff do hereby proclaim the week of January 22 – January 28, 2017 as

“BIRD SANCTUARY WEEK”

and encourage all Grapevine citizens to conserve bird life through care, feeding and protection from danger.

District II Spring Convention –
Bee Serious About Pollination
As Soon As Possible (BSAP ASAP)

This spring, GGC is hosting the District II Texas Garden Club Convention. It will be held at the home of Barbara Munn on April 4th. **We need your help to make this event a success!** We will need volunteers to help set up, act as hostesses, clean up and act as docents for a tour of the Grapevine Botanical Gardens later that afternoon. There will be a signup sheet for volunteers at the February GGC General Meeting. And most importantly, **we need you to attend the convention.** Please come join the fun as we socialize with our fellow district garden club members and witness the District II Award presentations which will be made by an interesting Beekeeper and his busy worker bee. See registration form below.

District II Convention Committee: Barb Munn, Margaret Meharg, Annemarie Garlin, Julie Garza, Suzi Guckel, Sharon Swagerty, Karen Rice, and Barb Thompson; Linda Krimm District II Director

Grapevine Garden Club hosts the District 2 Spring Convention

Bee Serious About Pollination (BSAP ASAP)

Tuesday, April 4, 2017

10:30 am – 1:30 pm

Salad Luncheon and Award Presentation

At the home of Doug and Barbara Munn

1621 Treehouse Lane N., Keller, 76262

When Doug and Barbara built their home twenty-seven years ago, briars entangled 89 oak trees on their acre lot. Not having gardened previously, she decided she needed to learn how to garden – fast! She started taking horticulture courses from TCC and joined the Grapevine Garden Club and Tarrant County Master Garden Association. She and Doug also grabbed their gloves, trowel, pruners, shovels, and rakes, built a greenhouse and started diggin' in the dirt. And they have not stopped yet!

Over the years, Barbara and Doug have enjoyed many hours in their ever-changing landscape. Beneath the same oak trees, the Munn's enjoy their Azaleas, Hydrangeas, various types of Ferns, Hostas, Columbine, Aucubas, Aralias, and annuals for additional color. There are also Roses, Iris, Salvias, Cleome, Poppies, Larkspur, Chrysanthemum Pacifica and bulbs in their sun beds. Each direction of the house tells a separate story with a different array of 24 varied gardens. Their special place for morning coffee is their Serenity Garden, pictured above.

The Convention will start with presentation of the District Awards by Karen Rice and her "Bee Keeper". Then after a short business meeting and the 2017-2019 District officer installation, we will enjoy a catered salad luncheon under tall oak trees. Before you leave the local area, you are invited to tour the Grapevine Botanical Gardens and newly constructed Greenhouse. Join us as we *Bee Serious About Pollination* at the District 2 Spring Convention.

As a courtesy to the Club, send your registration before March 20.

Send completed registration form with a \$25 check payable to Grapevine Garden Club, to Julie Garza, 548 Arbor Brook Lane, Coppell, TX 75019. Questions? Call Barb Munn 817.337.4955 Driving directions will be emailed when registration is paid.
